On Exchange 2013, I have a series of item categories that I want to remove the checkmark from, but I cannot find the option to do so. This is for an internal item, and the default option to uncheck it is not available. I've also tried to manually edit the item category information, but this does not seem to help

## What's New in the Eyes Guard?

Eyes Guard monitors your computer usage and reminds you when it is time for a break. Eyes Guard offers the following features: \* Schedule your breaks \* View break history \* Additional information on usage of the computer \* Remote control from any computer \* Requirements: \* Windows \* Version 10 or higher \* 1 GB RAM \* 4.0 or higher \* Free space: 1.5 GB Description: My latest update, MyBreak, is a utility that provides the same function as the eyes guard software.
